Sæby Arrival Date: _____ Departure Date: _____

Once you have sent this booking to the email BookingOphold@frederikshavn.dk you will receive an auto responder informing you that your booking has been registered. This means that the booking, has been approved, and that you have a place for the desired period. For security reasons, ports reserve the right to cancel the booking if the ports are overcrowded. This means that you may have to sail to one of the other Marinas mentioned above. The booking does not apply to a specific spot, but for whichever spot is available at the time of arrival. Possibly. Alongside on another boat. You have the option of changing your preference to which of the three aforementioned Marinas you want to visit during the selected period, without completing another booking. However, that is only possible if the desired port has an available spot.

A ticket for the stay in at the Marina must be purchased in the ticket machine.
